TERMS

MINIMUM CARRIAGE-PAID DELIVERY

Our minimum carriage-paid order is an invoice value [excluding VAT] of £150.00. This applies to one UK address but certain areas of Northern Scotland may incur a surcharge.

PAYMENT TERMS

Initial orders for stock products are always pro-forma. Thirty day credit facilities will be considered once a trading pattern has been established.

DELIVERY LEAD-TIMES

Normally within 7 days of confirmation of order and receipt of payment. Shorter lead-times may be possible depending on the time of year.

DISPLAY

We are able to supply display stands for most of our stock products, often at no cost.

If we do charge for display stands, such as floor standing spinners, we supply additional product, free of charge, to enable you to recoup the cost.

Please ask for details.
